

VRIS UPDATE

Change in Age of Majority Effective March 11, 2010 Number 253

SUMMARY OF UPDATES

The Nebraska Legislature passed with an emergency clause LB 226 that allows individuals 18 years of age and older to enter into contracts. The bill became effective 24 hours after the governor signed the bill. This means that individuals 18 years of age can now sign the VR application, releases, and IPEs without a parent signature. References to the age of majority have been updated in the Program Manual to reflect this change. No forms needed to be changed.
